

CUSTOMER COMPLAINT REPORT (API)

=====

Document type: Incoming material quality complaint
Prepared for: VeyraQ assessment demo (fictional data only)

Customer: Northstar Formulations
Complaint source: Document / email export
Complaint date: 12 March 2026

Product name: Metformin Hydrochloride API
Product strength / grade: IP/BP
Batch / Lot number: MFH260712A
Affected quantity: 25 kg (1 HDPE drum)
Manufacturing date: July 2026
Expiry date: Not stated by customer

Complaint category (customer wording): Foreign particulate / appearance
Complaint description:
Dark foreign particulate was observed during incoming inspection of
Metformin Hydrochloride API, batch MFH260712A, supplied in one HDPE drum
(approximately 25 kg). The material was quarantined at the receiving site.
No further processing into finished dosage form has occurred for this drum.

Originating site / block: Not provided by customer
Impacted non-product materials: HDPE drum liner (under review)

Requested action:
Please investigate the batch, advise on disposition, and confirm any
related historical complaints for the same material or batch family.
